

Goabler Rushmore S2 SRC

The Waterproof Safety Shoe is a high-quality and durable safety shoe designed to provide maximum protection and comfort in various work environments. It features a combination of waterproof full grain leather and waterproof Oxford cloth in the upper, offering exceptional protection against moisture.

The black breathable air mesh lining ensures optimal breathability, keeping your feet comfortable throughout the day. The shoe is equipped with a composite toe cap for impact protection. The EVA/Rubber cemented outsole provides excellent slip resistance and durability.
